Why should you attend this workshop?

- Join us and discover creative solutions to reinforce a foundation built to maximize a sustainable growth environment for your business.
- Discover which of the participating agencies can provide resources to help your business thrive in an unstable business climate.
- Explore the benefits of partnering with experts who faced similar challenges.
- Learn how becoming a certified small business will give you an edge over competitors.
- Get 1-on-1 time with agencies that can complement your current business strategies.
- Sign up for free business mentoring from accomplished business men and women.

Workshop will be held at the Dickinson State University Student Center Ballroom (room 116B).

**A workshop sponsored by Vision West ND &
Stark Development Corporation in collaboration with:**

- **DSU | The School of Business & Entrepreneurship**
- **Small Business Development Center**
